

# Want to learn more drums in the Holidays???

THE BEAT LAB is proud to invite Drummer David Helman to the studio on January 10th for some fun and interactive drumming workshops!!

David Helman has had over 40 years experience drumming. He is based in Mittagong but he is driving down on January 10th to visit the Beat Lab and do some interactive workshops with The Beat Lab Students!

RUDIMENTS! Are the most important exercises for drummers! And unfortunately a lot of learning drummers do not practice them enough! This workshop will be designed to inspire you to practice your rudiments more at home! And David will give you some great tips to get you on your way!

Interactive means you all get a practice pad and sticks (or bring your own) to play along as Dave shows you what to do!!

## When:

Beginners Workshop: 10am - 11am. Question time: 11am-11.20am

Intermediate/ Advanced Workshop: 11.30am-12.30pm. Question Time: 12.30pm-12.50pm

Adult Workshop: May open up if we get enough inquiries.

## Where:

The Beat Lab. 2/15 Ralph Black Drive, North Wollongong.

How Much: \$33 each including GST.

**DON'T MISS OUT!!** Spaces are limited to just 15 students per class so **HURRY** and book your spot now!!
